FISH ANY FRESHER WOULD STILL BE IN THE OCEAN

Our obsession with freshness extends from the kitchen, where we bake and prepare every dessert from scratch, to the bar and our commitment to making the finest cocktails. We believe that a great beverage is made with only the finest and freshest ingredients available. Our chefs are involved in making housemade sours, fresh fruit purees and we hand squeeze fresh juices to order. To complete the experience we serve only premium spirits.

You'll taste the difference!
