We do our best and take every possible care to provide you with a gluten free meal. The ingredients of all foods on our gluten free menu have been researched and confirmed gluten free by On The Menu, LLC. Our ordering system allows our wait staff to clearly mark gluten free orders. Our trained kitchen staff uses designated gluten free utensils and clean work surfaces to prepare your meal. However, please keep in mind, we are not a gluten free environment. Although we take every precaution to make sure your meals are gluten free, we cannot guarantee that the foods we serve are actually gluten free due to the changes in brand, supplier, ingredient formulation and/or cross contact caused from human error. In the event that an error occurs, our staff has been trained to replace your entire plate of food. Neither Mitchell's nor On The Menu, LLC assume any liability for the foods ofered.

Consuming raw or undercooked meats, poultry, seafood or eggs may increase your risk of foodborne illness. Please inform your server of any food allergies.
